

GIFT VOUCHERS

Gift vouchers are obtainable for any amount you wish although we would recommend £110 for a meal for two with wine.

All vouchers are issued from our administration office and are posted first class to an address of your choice. They are presented in an attractive A4 sized card and make an ideal gift, incentive or prize.

We accept payment by personal or business cheque in the post to our administration address below (please allow seven working days) or we accept all credit/debit cards including switch via e-mail.
